12/15/2008 for \$500.00 to the Primary 2010 election.
The Committee sent a refund to the contributor on 11/23/2010 for \$500 to the Primary 2012 election.

John Wren-
5/14/2010 for \$500.00 to the Primary 2010 election,
1/14/2010 for \$2,400.00 to the Primary 2010 election.
The Committee wrote a refund check to the contributor on 11/29/2010 for \$500 to the Primary 2012 election.

The committee has disclosed refunds to the following; Robert Harrison, David Herro, Gilbert Matthews, Republican National Coalition For Life PAC, John Wren. The reason the committee reported these refunds is because they all exceeded their contributions limits. The contribution refunds all read as Primary 2012, when they should read P2010. The reporting software does not allow previous cycle activity to be included after the end of that cycle. Working with the software vendor, an amendment to correctly designate each refunds election has been made.

Sincerely,

Thomas C. Datwyler
